

Gangbusters! That's the only way to describe the first few months in our new tasting room.

We're off to booming start with exciting plans to keep on keepin' on.

To begin—The release of a few new wines. After all, that is our “raison d’etre.” 2009 Sauvignon Blanc and Chardonnay have hit the room with a clean and crisp entrance - perfect for the Indian summer (if we actually have one), or the Holidays to follow. Only 100 cases of the Sauv. Blanc were made. Then there is our old fave, the Reserve Cabernet Sauvignon – Napa Valley. Can you believe it's already 2008 vintage? Geeze we're getting old. But, that's okay.

Life Unleashed. –(A new label) - 2008 Moondance Cellars Merlot. 15% of the sale of this wine will help Canine Companions for Independence provide ‘*exceptional dogs for exceptional people.*’ Our mission has always been to enhance the lives of those who drink our wines. With this donation we hope to help Canine Companions provide highly trained assistance dogs to people with disabilities at no charge to them, resulting in lives full of increased independence and loving companionship.

Did anyone say, Chocolate?
Nothing like a Cabernet Sauvignon wine tasting, paired with Wine Country Chocolates.

Limited opportunity for 2007 Gewurztraminer- Russian River at \$60/case – it's really really good!
